

The **ULTIMATE BATTERY PERFORMANCE CHARGING SYSTEM**

The next iCHARGE GENERATION

Single Bay Conditioning Chargers

Product Number: i20

**Product Number: i25 01 (Hardwired)
i25 02 (Cig. Adapter)**

Available in a desktop or in-vehicle design, the ACT iCHARGE single bay conditioning chargers offer robust trichemistry conditioning charging. Both models also accommodate intrinsically safe (IS) battery designs. Each unit offers unique features for virtually any charging requirement.

Features of the ACT i20 Desktop Charger:

- Patented DEW™ Technology for superior charging
- Simple LED user interface operation
- Compatible with ACT iGAUGE battery analyzer
- Drop-In option with Motorola® IMPRES™
- Built-In Reconditioning feature to recover lost battery capacity (NiMH and NiCd)
- Field interchangeable adapters for multiple radio battery types

Features of the ACT i25 In Vehicle Charger:

- Patented DEW™ Technology for superior charging
- Simple LED user interface operation
- 8"x4.5"x2" footprint for versatile placement
- Comes with adjustable mounting bracket for easy installation
- Portable power for quick, reliable charging in the field
- Field interchangeable adapters for multiple radio battery types
