

LONG RANGE WIRELESS MOBILE SOLUTION

Stay connected to your mobile radio up to **100 metres** away from your vehicle.

Plug and play solution. Just attach the mobile gateway microphone to your DM 3000 or DM4000 radio, touch the two blue dots on each device, listen to the voice prompt confirmation and you are ready to go.

Keep in touch even on **remote job sites** when you depend on your high power mobile radio but have to work outside your vehicle.

Compatible with **MOTOTRBO DM 3000** and **DM4000 Series** mobile radios
